Passage

Hi! Emmy

Greetings from USA! I am here with my parents. We have been here since Friday and have already seen and done so much.

On Sunday, we went to visit Golden Gate Bridge. I was so excited. It's very huge. I have never seen anything like this! It is one of the most interesting constructions. The bridge is one of the most internationally recognized symbols of San Francisco, too. If you ever get the chance to visit, you should go - it is an unforgettable experience.

Hope you are having a fun time too. See you soon!

Love,
Rose
